Capital Credit Union Demonstrates Commitment to Community During Annual Community Impact Day

On October 13th, Capital Credit Union hosted its annual Community Impact Day, uniting over 450 employees in a shared mission to give back to the communities we serve. Together, employees contributed an estimated 1,350 volunteer hours across 24 nonprofit organizations throughout Northeastern Wisconsin.

Volunteer activities ranged from preparing gardens for the winter season to assisting with food preparation, reflecting the diverse needs of our communities. Community Impact Day exemplifies Capital Credit Union's mission of Doing the Right Thing and underscores our commitment to fostering strong, vibrant communities.

Community Impact Day was held in conjunction with the Wisconsin Credit Union League's CU Community Days. By participating in CU Community Days, Capital Credit Union joins credit unions across Wisconsin in demonstrating

the collective impact of the Credit Union Difference.

At Capital Credit Union, we remain steadfast in our commitment to serving as a trusted partner and advocate for the communities we call home. Community Impact Day is a testament to our belief that when we work together, we can strengthen the communities we serve.
